AMEND Senate Bill No. 2634

House Bill No. 2607*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 49, Chapter 6, Part 60, is amended by adding the following language as a new section:

If, during high school, a student provides to a high school evidence of completion of a college-level course or any accredited training program in which the student received training reasonably related to the launching, operating, and landing of unmanned aerial systems, then the student shall receive high school credit towards graduation for such training. The state board of education shall approve appropriate courses for which credit for the training may be substituted.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
